

D. Volunteer Opportunities

Volunteers may perform the following tasks depending upon the volunteer's skills and experience. Wood County Dog Shelter employees shall determine which tasks each volunteer may perform.

1. Volunteers may provide socialization and exercise for dogs residing at the Wood County Dog Shelter.
2. Volunteers may walk dogs in approved locations to improve behavior, mental health, and decrease excess energy.
3. Volunteers may develop personality profiles for dogs that will be printed on the dog's cage card to provide potential adopters some background on the dog and the dog's personality and behavior.
4. Volunteers may bathe and provide limited grooming to adoptable dogs to improve the dogs' physical appearance and health.
5. Volunteers may assist with offsite activities and special events that the Wood County Dog Shelter participates in or sponsors.
6. Volunteers may take pictures of dogs and post them on the Wood County Dog Shelter Facebook and Petfinder pages and assist in updating the pages.
7. Volunteers may assist in the development and circulation of weekly adoption flyers.
8. Volunteers may assist in maintaining the cleanliness and appearance of the Wood County Dog Shelter.
9. Volunteers may perform other activities from time-to-time as approved by the Chief Dog Warden.
